Hi Ricardo,

Thanks for bringing this to my attention. I will alert the general contractor about this as well. I have also asked if they can safeguard the area on Avenue 59 today.

I will keep you posted.

Thanks

Good Afternoon Arturo, Mitsy.

If possible, is there a way that all the locations be check along the corridor. I also received a complaint on from the SE corner of Avenue 57 and Figueroa . It seems that the wood that was added is not supporting the weight.

Thank you all.

Hello,

Would it be possible to check a collapsing tile located on Avenue 59, in front of the Monarca Bakery? Misty from the North Figueroa Association was alerted of this by the council office. The council office has been receiving complaints about the wooden cover. Please see picture below.

Thank You.
